Instructor: John Buskirk,

Location:

The Event Center at Shepherd Hills Golf Club
1160 S. Krocks Road
Wescosville, PA 18106-9603

About the Class:

Our nation's most valuable resource is those who spend their days on the job. Water and sewer plant operators are among those people, therefore a course on operator health and safety is needed. The purpose of this course is to instruct students on most aspects of health and safety in the water and sewer industry. Upon completion of the course, students will be able to understand the importance of safe work practices and recognize unsafe work practices.
