**Date:** December 8-10, 2025

**Class Time:** 7:00 AM to 4:30 PM

**Registration Deadline:** 11/19/2025

**Contact Hours:** 22 Water & Wastewater Hours

**About the Class:**

The course is designed for water and wastewater treatment plant operators, plumbers and maintenance personnel. The purpose of the course is to give already certified backflow prevention assembly testers, detailed instruction on diagnosing problems in backflow devices using a differential pressure gauge and then disassembling it and making necessary repairs. This course is designed to bring together everything that may have been learned in other classes. This course has been approved by the ASSE (The American Society of Sanitary Engineers) and therefore meets ANSI Standard Series 5000.

Participants that successfully complete the #3478 Repair Certification Course will automatically be recertified for backflow assembly testing. If you have already had the #3478 Repair Certification or are only interested in being certified for testing you should register for a testing only recertification course (#874 or #5110).

**Location:**

PA Water Specialties  
180 Wharf Street  
Pittston, PA 18640-1705

**Instructor:** PA Water Specialties Company

**Registration / Cancellation Policy:** **REGISTRATIONS:** The registration deadline above must be observed - NO EXCEPTIONS. To successfully register for this class, payment must be submitted at the time of registration. Any persons not paid in full by the registration deadline will not be registered for the class - NO EXCEPTIONS. **CANCELLATIONS:** Cancellations made AFTER the registration deadline will not receive a refund. All cancellations must be sent to PRWA in writing.
