Comfort Suites  
140 Stroehman Drive  
Altoona, PA 16601

**About the Class:**

This course covers water storage tank inspections utilizing different methods. Material includes the advantages and disadvantages of different types of tank inspection methods. There will be a detailed discussion of what should be examined during an inspection of the interior and exterior of all types of tanks. Topics also include identification of deterioration and recommended corrective actions including OSHA and AWWA requirements.
